## ÖSSZESZERELÉSI UTASÍTÁS

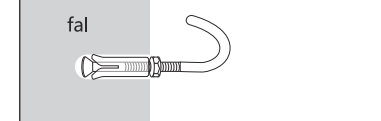

A feszítő csavar beszerelési módja

1. Fúrjon a falba a feszítő csavar  
méretének megfelelő lyukat

2. Helyezze a feszítő csavart a lyukba,  
húzza szorosra a hatszögletű  
anyacsavart egy csavarkulccsal

3. A megszorítás után a feszítő cső  
kinyílik és szorosan illeszkedik a  
fallhoz
